This is a collection of symbols for quickly mocking up web applications, created by Stephen Way and released under the MIT license.

The screenshot shows a Foundation application interface. At the top is a red header bar with a three-line menu icon and the text "Foundation". Below the header is a light gray content area containing the heading "THE PSYCHOHISTORIANS" and a paragraph of text about the Foundation Era. At the bottom is a red footer bar with the text "Grade Savers" on the left, "Submit Assignment" in the center, and "Login" on the right.

THE PSYCHOHISTORIANS

Set in the year 0 F.E. ("Foundation Era"), The Psychohistorians opens on Trantor, the capital of the 12,000-year-old Galactic Empire. Though the empire appears stable and powerful, it is slowly decaying in ways that parallel the decline of the Western Roman Empire. Hari Seldon, a mathematician and psychologist, has developed psychohistory, a new field of science and psychology that equates all possibilities in large societies to mathematics, allowing for the prediction of future events.

The screenshot shows a Grade Savers application interface. At the top is a red header bar with the text "Grade Savers" on the left, "Submit Assignment" in the center, and "Login" on the right.

The screenshot shows a My Site application interface. At the top is a red header bar with the text "My Site" on the left, "Left Button" in the center, "Right Button Active" in the middle-right, and "Right Button Dropdown ▾" on the far right.

The screenshot shows a Sexy Top Bar application interface. At the top is a red header bar with the text "Sexy Top Bar" on the left, "Find Stuff" in a white box in the center, "Search" in an orange box, "Test" in a blue box, "Item 1 ▾" in the middle-right, "Generic Button" in an orange box, and "Get Lucky" in a blue box on the far right.

The screenshot shows a navigation bar application interface. At the top is a red header bar with the text "HOME / FEATURES / GENE SPLICING / CLONING" in a white box.

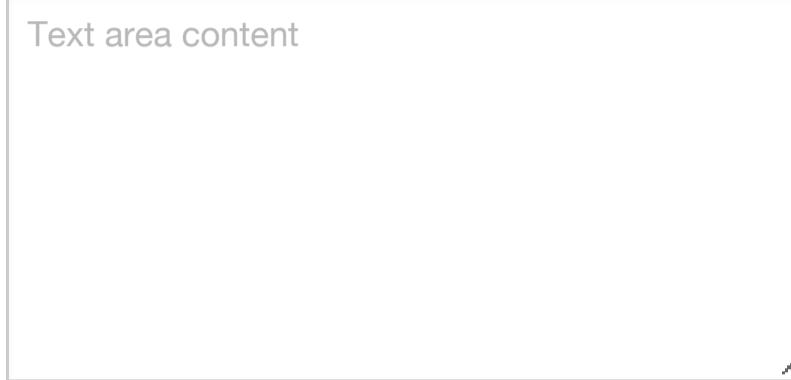

This is a collection of symbols for quickly mocking up web applications, created by Stephen Way and released under the MIT license.

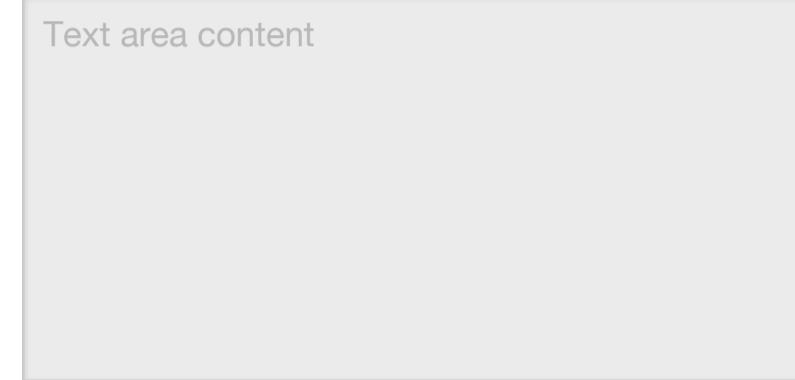

A slide template with a teal background. At the top left, it says "1 of 3". Below that is a large white "Headline 1" and a smaller white "Subheadline" below it. On the right side, there are two small square images: one showing a comet and another showing a solid gray rectangle. The footer contains three teal buttons labeled "Goto Slide 1", "Goto Slide 2", and "Goto Slide 3". Navigation arrows are located at the top and bottom edges of the slide area.
